Ben	Like	SCRUM Master "Making progress; learning how to make db schema"	SCRUM Master "Ben has a sparkling personality and charming looks, and he also is busting out a bunch of rails code. We set up the skeleton of the site and have been migrating content over, and have begun tackling the more difficult tasks" "Following sprint plan on time!"
	Improve		
Julia	Like		"Attending scrum meetings, and working on the high level design for the help center"
	Improve		"Start busting out some code!"
Josh (PO)	Like	"Josh gets 1 million points for being a phat baller and putting a carousel on the front page. His work is really pushing this project forward." "Making progress; made carousel"	"Assigning tasks; following sprint plan"
